**STATEMENT OF SUBSTANCE OF INTERVIEW IN
ACCORDANCE WITH MPEP §713.04**

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicant submits herewith a statement on the substance of the telephonic interview held on August 28, 2008. While Applicants agreed to an amendment of claim to recite "45 °C to 100 °C," Applicants also believed the Examiner would delete the phrase "or more" from claim 1. By entry of the Examiner's Amendment, claim 1 now reads "45 °C to 100 °C or more ...". Applicants did not agree to this partial amendment. The phrase "or more" should be deleted by Examiner's Amendment. If necessary, Applicant will file an Amendment to correct the Examiner's inadvertent error.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fees required under 37 C.F.R. §§ 1.16 or 1.17; particularly, extension of time fees.

Dated: OCT 9 2008

Respectfully submitted,
